WHAT JEANINE'S CLIENTS ARE SAYING

"Jeanine was truly a joy to work with. We decided to work with Jeanine again, after she helped us buy our second home, and then sell it three years later. Jeanine was very diligent in dealing with the details of the offer, contract and closing. Her attention to detail was unmatched compared to our first agent's knowledge and experience. Jeanine further assisted with guiding us to a great mortgage broker - who we plan on using again. We plan on purchasing our third home in the next few years and will not choose anyone else to be our agent."

- Kevin H., Seller & Buyer

"Jeanine was professional, responsive and always had our best interest in mind. She learned what we were looking for both as individuals and as a couple and helped us find the perfect home for both of us. We really appreciated Jeanine's knowledge of the area; providing information in ways that we both appreciated -- verbally for the Type A personality and statistically for the logical thinker. We highly recommend Jeanine for both sales and purchasing."

- Tracie M., Seller & Buyer

"Jeanine represents the best in real estate agents. She provided excellent guidance in the listing and showing of our home, which took some time to sell because of the slow market when we put it up for sale, and worked with us in the negotiation of the final price to make sure that the deal went through. We give her our highest recommendation."

- Vic B., Seller

"Simply put - she's the best!"

- Frank S., Seller & Buyer
